INVESTMENT PLANS OF INNOVATION

The enterprise DATASCOUTING E.E., which is headquartered in the Region of Central Macedonia, was co-financed by the European Regional Development Fund (ERDF) of the European Union for the implementation of its project under the Action «Investment Plans of Innovation» under the framework of the Operational Programme «Central Macedonia» 2021-2027.

The project (DeepStream) aims at developing a comprehensive and flexible platform for automatic semantic analysis of video streams using deep learning methods, capable of supporting learning with few training examples and continuous interaction with its users.

The investment's total budget is 290.000,00 € out of which 258.000,00 € is public expenditure. The Action is co-financed by Greece and the European Union - European Regional Development Fund.
